Profile

I'm a studious and motivated developer with a strong interest in building **resilient systems** that **efficiently manage data**. I'm curious, learn quickly and work well on teams. Projects recognised by **Ofsted** and **Innovate UK**. Experienced in classrooms and startups, I like to **collaborate** and **think on my feet**.

Education

Web Development, *Le Wagon, London*
10/23 - 12/23
- Successfully pitched my app concept and led four-person team on capstone project
- Recognised for collaboration and mentoring skills with invitation to join the course as TA

MA European History (Distinction),
King's College London,
Humboldt-Universität zu Berlin
09/13 - 06/15

BA Latin, *University of Oregon, USA*
09/04 - 06/09

Languages

English | Spanish | German | French | Italian

Skills

- **Full-stack development:** Python, Ruby/Rails, JavaScript, React, HTML/CSS, SQL, Heroku, RESTful APIs
- **Testing:** RSpec, Selenium, GitHub Actions
- **Collaboration:** Git/GitHub, Figma, Miro

Projects

Cheddar (2023-24)
- Full-stack developer on jobs platform linking graduates with eco-friendly employers
- Rapidly prototyped core features, leading to seed funding from Innovate UK
- Built ETL pipelines to process high-volume data from a multitude of external sources
- Established CI/CD pipeline with automated unit and feature testing via GitHub Actions

Hero (2023)
- Led Agile development team on app to recommend family activities in London
- Built a simple and intuitive JavaScript UI to facilitate complex back-end interactions

Quizzy (2021-22)
- Quiz tournaments using differentiated teaching principles to boost learning and classroom engagement
- Recognised by Ofsted, the UK regulatory body for standards in education

Professional Experience

Teaching Assistant, *Le Wagon, London*
01/24 - present
- Supporting the teaching of web development concepts and industry best practices
- Mentoring to promote collaboration, teamwork, and problem-solving skills

Teacher of Classics and History
St Philip's School, Scuola Italiana a Londra and private tutoring
09/17 - 09/23
- Held teaching various posts, including Head of Classics at a small independent school
- Praised by Ofsted for software I developed to improve learning and classroom engagement
